21. Governance:-

GSKS is having separate policies on the following issues: -

Human Resource Policy, Financial **Manual**, **Gender Policy** & **Child Protection Policy**

A. Financial Management Policy

As far as the financial management of the organization is concerned, there is a team of accountants headed by the Finance Manager who is responsible for overall finance related matters. The annual budget is approved by the Governing Board and the General Body. The Project in charges prepares monthly and quarterly budgets with action plan and it is presented in the staff meetings for approval of the Secretary.

B. Recruitment Policy

There is an internal team for recruitment of staffs which consists of five members and is headed by the Secretary himself. This committee is called Recruitment Committee. The other members of the Recruitment Committee are the Concerned Project In charge and the members of the Governing Board. In Requirement process first application is applied for the concerned post and on basis of post requirement the application is short listed by project in charge and director, then candidates are informed for the interview and the suitable candidates are selected. There are some fixed criteria for the selection of candidates like qualifications and experiences etc. The selected

candidates are briefed about the rules and regulations of the organization and are asked to sign the agreement. The other signatory of the agreement is Secretary himself. The agreement is for one year only and is extended according to the performance of the staff or extension of the project.
